

07 – Q&A

Beatrice Olivari

This project has received funding from the European Union's HE research and innovation programme under the grant agreement No. 101057497

What do you think about
the semantics proposed?

LSAnalytics, THINNECT, WINGS,
what is the schedule/timing for deploying STA
at pilot level?

Know Center,
what is the schedule/timing for deploying STA
at project level?

Next session will be focused on clients
(web, desktop) to access STA endpoints

Proposed date: **Friday, September 28th**

Thank you!
